The parties in this case have conferred with each other regarding this motion and jointly request that the Court extend the April 5, 2021 deadline for filing the parties' agreed pretrial order, trial briefs, proposed voir dire questions, proposed jury instructions, proposed sorting questions, and joint neutral statement of the case, to Thursday, April 8, 2021.

In light of the pretrial conference date being pushed to next week by the Court, the parties seek additional time to reach agreement on several disputed points in the pretrial submissions. The parties have been trying to agree on as many exhibits and instructions as they can, and additional time will allow the parties to have further discussion and perhaps reach agreement on the admissibility of more exhibits.
